

NOTICE OF PUBLIC INFORMATION MEETING

The Tennessee Department of Transportation (TDOT) will conduct a Public Information Meeting on January 17, 2012, in the L.T. Ross Building of Knoxville CAC (865-546-3500), at 2247 Western Avenue, Knoxville, TN to discuss SR-62, Western Avenue, from Texas Avenue to Major Avenue project in Knoxville, Knox County as shown on the general location map.

The project will provide a bridge over CSX railroad near Tennessee Avenue, five-lane roadway with curbs & gutters consisting of 12' wide traffic lanes, a 14' center turn lane, 9' shoulders and 7' sidewalks. Total roadway width from face to face of curbs will be 84'. The proposed alignment begins at 400' east of Texas Avenue, continues along part of Western Avenue and Schofield Street until it intersects with Major Avenue. Shoulders will be eliminated between Keith Avenue and Major Avenue. Right-of Way width will vary along SR-62 and side roads. (Note the change in typical section from the one presented in 2007.)

Not presented at the previous Design Meeting held in October 2007 but now included, is the relocation of Keith Avenue on the southwest side of Western Avenue from Truman Avenue to Western Avenue. This relocation will involve the closing of the at-grade railroad crossing on Keith Avenue and the construction of a new grade separated crossing (bridge) over the railroads.

This meeting will be held from 5.00 p.m. – 7:00 p.m. during which time there will be a presentation followed by a question and answer session. The public is invited to ask questions and make comments during the meeting. Representatives of TDOT will be present to answer questions on any aspect of the project.

Plans are available for public inspection at the offices of:

Mr. Paul Beebe
TDOT Region 1 Office
7345 Region Lane
Knoxville, TN 37914
(865) 594-2442

or
