

NOTICE OF HIGHWAY DESIGN PUBLIC MEETING

The Tennessee Department of Transportation (TDOT) will conduct a Highway Design Public Meeting on February 28, 2012, in the Gallatin City Hall, 132 West Main Street, Gallatin, TN 37066, to discuss the SR-109 project from North of the Cumberland River to SR-109 bypass in Gallatin, in Sumner County as shown on the general location map.

The proposed improvement will consist of widening the existing two-lane roadway to four lanes with a raised median

This meeting will be held from 5:00 p.m. – 7:00 p.m. during which time there will be a short formal presentation and a brief question and answer period. Representatives of the Department will be present to provide information relative to the general location, the proposed specific location, major design features, the social, economic, environmental and other effects of the foregoing, the relocation assistance program, the tentative schedules for right-of-way acquisition and construction and any other matters of interest. The public is invited to ask questions and make comments during the meeting and will be given the opportunity to make their opinions known concerning the need for this project, its general location and any other location, the proposed specific location, major design features, to present views on any alternative design and the social, economic, environmental and other effects of the foregoing matters so that the project would best serve the public interest.

Plans are available for public inspection at the office of:

Mr. Jerry Hughes, Sr.
Transportation Manager I
1200 James K. Polk Bldg.
