Abbreviations .....	3
Accelerators for concrete.....	799
Acceptance of asphalt mix .....	219, 222, 253
Acceptance of Project.....	36
Accessories for signs.....	778
Accuracy of punched and drilled holes, steel structures .....	334
Addendum, definition of.....	3
Additives for concrete.....	385, 798
Adjusting guardrail.....	546
Adjustment of traffic control plans.....	581
Adjustments to Clearing and Grubbing .....	72
Admixtures, air-entraining .....	799
Admixtures, concrete.....	798
Advertisement, definition of.....	3
Aggregate -cement base course .....	177-82
Aggregate control (asphalt).....	238
Aggregate feed (asphalt).....	238, 239
Aggregate for aggregate-cement base course.....	708
Aggregate for asphaltic concrete surface courses (hot mix) .....	701
Aggregate for bituminous coated aggregate base (plant mix).....	699
Aggregate for bituminous plant mix surface course (cold mix).....	701
Aggregate for bituminous road mix surface course.....	700
Aggregate for bituminous sand-gravel binder and surface coarse.....	701
Aggregate for double bituminous surface treatment.....	707
Aggregate for hot bituminous seal coat .....	707
Aggregate for lightweight concrete .....	708
Aggregate for mineral aggregate base and surface courses .....	694
Aggregate for plant mix base and leveling courses (hot mix).....	696
Aggregate for sand-asphalt surface course.....	708
Aggregate for slurry seal and micro-surface .....	706
Aggregate for underdrains .....	708
Aggregate stockpiling.....	709
Aggregate underdrains.....	566, 567
Aggregate, application double surface treatment .....	211
Aggregate, asphalt treated permeable base .....	699
Aggregate, cement treated permeable base .....	693
Aggregate, coarse for concrete .....	692
Aggregate, fine for concrete.....	691
Aggregate, fine for mortar .....	692
Aggregates.....	690-711
