

**Pellissippi Parkway Extension (SR 162) from SR 33 to US 321
Public Meeting, February 19, 2008
Public Comment Form**

The Tennessee Department of Transportation (TDOT) is conducting an Environment Impact Statement (EIS) for the proposed extension of Pellissippi Parkway (SR 162/I-140) from SR 33 to US 321. The February 19, 2008 public meeting is intended to provide the public an additional opportunity to comment on the range of alternatives to be studied in the EIS. TDOT needs your assistance and input about the project. Please take a moment to answer the following questions. Please return comment form postmarked no later than **March 11, 2008**.

What do you like or dislike about the following alternatives:

No Build (no improvements to existing roadways and no extension of Pellissippi Parkway east of SR 33).

Public Transit.

TSM - Transportation System Management (install signals, improve signal timing, add turn lanes, widen shoulder, and/or intersection improvements along SR 33 and along SR 35).

Upgrade a network of existing roadways as a connection between SR 33 and US 321 (e.g., Sam Houston, Peppermint Road, Hitch Road, and Helton Road).

Extend Pellissippi Parkway from SR 33 to SR 73/US 321 (Corridor A – west of Peppermint/Hitch Road)

Extend Pellissippi Parkway from SR 33 to SR 73/US 321 (Corridor B – east of Peppermint/Hitch Road)

Are there other potential project solutions or corridors that you think should be considered? If so, please describe below:

Your Name: _____

Date: _____

Mailing Address: _____

County of Residence: _____

Phone Number (optional): _____

E-mail Address (optional): _____ (Check here if you would like to receive e-mail notices ____)

Would you like to receive future mailings about the Pellissippi Parkway Extension project? YES____ NO____
