The Tennessee Department of Transportation (TDOT) is preparing an Environmental Impact Statement (EIS) that will examine the environmental impacts for State Route 18 (SR-18) from Bolivar to SR-100 (SR-100). The purpose of this meeting is to solicit your input as we plan possible alternative routes within this project corridor. Please take a moment to answer the following questions.

1. Which type of alternatives would you like to see considered for this project? (check all that apply)

- No Build (make no improvements to the existing system)
- Improvements to SR-18 through the Bolivar Historic District and on to US-64
- Improvements to SR-18 through the Bolivar Historic District and on to the US-64 bypass
- A bypass route from SR-18 tying into US-64 east of town
- A bypass route from SR- 18 tying into US-64 west of town
- Other – please describe below (be specific as you can, and sketch on the attached map, if possible)

2. Why do you prefer these types of alternatives?

3. Are there any cultural/historical assets or environmental concerns that you want to make sure are considered during planning?
