Re: Project Identification Number: *(PROJECT SPECIFIC PIN)*
Proposed State Route 475 (Knoxville Parkway)
Loudon, Knox, and Anderson Counties

Dear *(PROPERTY OWNER)*:

As you may have heard, TDOT is beginning its public involvement process for the Knoxville Parkway project, and we want to alert you to the early activities you may be seeing shortly in your neighborhood.

In order to insure that we have the most accurate, complete, and current information possible, TDOT survey crews, or employees of *(CONSULTANT NAME)*, our consultant representative, will begin gathering data to supplement existing aerial photographs of the area. This will involve ground surveys, which will investigate property lines, underground utilities, detailed stream information, cave locations, and more.

These ground surveys will begin within the next four (4) to six (6) weeks, and will continue for twelve (12) to eighteen (18) months.

The survey crews may need to gain access to your property, located at *(PROPERTY ADDRESS)*, in order to gather the necessary information, and we will appreciate your cooperation in that effort. The surveyors will attempt to contact you personally prior to entering your property. If there are specific times during the work week we should avoid, please let us know. Surveys will not be required on all properties. We are eager to move forward with this project, which will include extensive public participation as part of the new "context sensitive solutions" process we will be utilizing in its development.

For more information about the Knoxville Parkway project, please visit the TDOT website at <http://www.Knoxville.Parkway.com>. If you have specific questions not answered on the website, you may call TDOT's Project Manager for this project, Mr. Mike Russell, at (865) 594-2334, TDOT's Regional Survey Supervisor, Mr. Ronnie Walker, at (865)-594-2356, or contact me at (615) 741-0450. TDOT thanks you in advance for your cooperation.
